

# AWW: A Voice when YOU need it most

## What is MAP?

**AWW** provides an independent advocacy service for people with a serious mental health problem.

The Advocacy service is free, confidential and independent of other services.

## What is an Advocate?

The role of the advocate is to help people communicate with an effective voice, enabling them to influence decisions that affect their lives.

An advocate acts with or on behalf of another person to establish or promote that person's rights.

## Advocates can help People

Make informed choices

Access information

Talk to the service provider

Put their views across at care planning and other meetings

Uphold their rights

Make complaints
